## ABOUT THE EVENT

The AFMASS FoodTech Southern Africa Zambia edition is Zambia and SADC region's only conference and exhibition focused on the food, beverage and milling industry in the region.

Now in its second year since its first edition in 2018, this premium trade event brings together the key decision makers to trade, network and learn about the latest technologies and innovations in the food manufacturing, retail and hotel, restaurant and catering (HORECA) industry.

The primary target for this event is the food and agriculture sector stakeholders from Zambia and the surrounding countries including **Malawi, Zimbabwe, Mozambique, Botswana, Angola, DRC, South Africa, Namibia and Tanzania.**

Over 1,500 delegates and visitors are expected to attend the event this year, from over 25 countries in Africa and the rest of the World.

## FIND THE LATEST TECHNOLOGIES FROM WORLD-LEADING SUPPLIERS IN ONE PLACE

### INGREDIENTS

## VENUE: RADISSON BLU HOTEL, LUSAKA, ZAMBIA

AFMASS FoodTech Southern Africa Zambia edition 2019 will be held at the magnificent Radisson Blu Hotel. The hotel is located along the Great East Road in the centre of Lusaka, with easy access to some of the best shopping malls, entertainment and leisure locations in Kigali - while international and regional travelers from the from the SADC region and rest of the World who can access the venue from the nearby Kenneth Kaunda International Airport.

## WHAT DO YOU EXPECT AT THE 2019 EDITION OF THE EVENT?

### • 2 DAYS OF CAREER-CHANGING CONFERENCE SESSIONS

Attend high impact conference sessions on October 9-10, 2019, where you will discover the latest **investment opportunities** in the food, beverage and milling industry in Zambia and the SADC region of Africa.

You will also discover the latest market trends in the critical areas of **food safety, new products formulation and innovations management, nutrition and health, sustainability, processing, packaging, engineering, automation, milling technology and post-harvest management** from leading regional and international consultants, suppliers and academicians share their unique insights and knowledge on the future of the industry.

Further, you will meet, network and get inspired by leading food and agriculture industry leaders, Government ministries and agency leaders and NGO managers from Zambia and the SADC region, who will share their paths to success and their knowledge and experience in managing businesses in the region - which could be vital in the way you deliver on your next project or venture.

### • VIBRANT EXPO HALL FOR ALL YOUR PRODUCTION, PACKAGING, INGREDIENTS, FOOD SAFETY & SUPPLY CHAIN SOLUTIONS

AFMASS FoodTech Southern Africa Zambia edition will bring together local, regional and international suppliers of the A-Z solutions to your business. Make identifying suppliers for your next projects easy by visiting the Expo Hall, where you will discover the latest **milling and processing equipment, packaging, ingredients, food safety and laboratory solutions, supply chain technologies, consultancy and other industry services**. The Expo Hall opens October 9-11, 2019

## ABOUT AFMASS FOODTECH CONFERENCES & EXHIBITIONS

The AFMASS FoodTech Conferences & Exhibitions are a series of sub-Saharan Africa region's trade events targeted at the key stakeholders in the manufacturing, retailing and foodservice sectors, with a focus on the food, beverage and milling industry in Africa.

Powered by the African-focused industry publication Food Business Africa magazine, AFMASS FoodTech Conferences & Expos bring together sponsors, exhibitors, delegates and visitors through high-impact conference sessions, Expo Hall teeming with various solutions and networking platforms that offer the best opportunity for all to discover, network and be inspired.

They are attended by key decision makers from the industry, Government, academia, NGOs, development organisations, suppliers, investors and funders from Africa and the World.

AFMASS FoodTech has become one of the most recognised food, beverage and milling industry trade events in Africa, and also the fastest growing, with a target to reach over 15,000 key food industry decision makers by 2020.
