ADVANCING ZAMBIA'S FEED & BIOFUEL INDUSTRY

15TH MAY 2026 / RADDISON BLU HOTEL, LUSAKA ZAMBIA

AFMASS Trade Expo Zambia & Southern Africa 2026 – powered by Andritz Feed & Biofuel – brings together business owners, managers and professionals across the food, beverage and milling; packaging; hospitality and logistics industries for extensive networking, business linkages and discovery of new technologies that are vital for the transformation of one of the most important regions in Africa.

Over 3 days, industry leaders, traders, government officials as well as innovators and changemakers converge in Lusaka – Zambia and Central & Southern Africa's centre of commerce and industry – to meet and do business with international manufacturers and distributors of new technologies, products and services; as well as regional and local companies.

Now in its third edition, AFMASS Trade Expo Zambia & Southern Africa has become the most important trade show and conference in Zambia and surrounding countries, attracting visitors from across the SADC region of Africa – Zimbabwe, Botswana, South Africa, Namibia, Angola, DRC, Malawi, Mozambique, Lesotho, Eswatini – and beyond.

ANDRITZ FEED & BIOFUEL is a leading supplier of technology and services for the animal feed, aqua feed, pet food, biomass and recycling industries. ANDRITZ FEED AND BIOFUEL offers an extensive line of equipment and plants to produce high-quality feed, petfood, biomass and recycled products.

From greenfield site projects to upgrades at existing facilities, exact specifications will be met at the lowest possible total cost of ownership by leveraging ANDRITZ FEED & BIOFUEL's extensive processing expertise.
